# STERLING RISE **WEEK'S FEATURE**

British Gold Ratio Action Utah Traction Bonds Go Forms Example for Rest of Europe

By STUART P. WEST.

(Copyright, 1922, by The Standard- (Copyright, 1922, by The Standard- Examiner.)

NEW YORK, June 3 .- From the standpoint of the general financial sit-uation, the important incident of the last week has been the renumption of the recovery in storing exchange, car-rying rates well above the previous While they are most anxious to lend, which they are most anxious to lend, rying rates well above the previous high of 1922 and to the highest since the early summer of 1919. The fact that sterling has gone up independing the early summer of 1919. The fact that sterling has gone up independing the early of the other forcing exchanges with a sterling has gone up independing the early of the other forcing exchanges with a sterling has gone up independing that gum the nation's banks probably have all told an untapped total for forty billions of credit available for business enterprise.

Today's great fenervoir of unused credit has been filling rapidly within the past year and stands today at the highest mark ever reached in the highest m
